SIGNATURE SELECT ADDS B. COLEMAN AS ITS LATEST AFFILIATE LOCATION

B. Coleman Aviation, a full service fixed base operator (FBO) based at the Gary/Chicago International Airport (GYY), has joined the Signature Select affiliate program.

B. Coleman is comprised of approximately 95,000 square feet of FBO and hangar facilities. The most recently opened 40,000 sqft hangar offers a large, 28 foot door and can house four large-cabin aircraft along with eight midsize to small body aircraft. The facility is equipped with 24-hour video surveillance and world-class accommodations for both passengers and pilots include a pilot's theater/lounge with a 105 inch projection screen with surround sound, a fitness room and shower facilities. Fully equipped and wired conference and training rooms round out the facility's amenities.

B. Coleman Aviation's proximity to Chicago makes it a convenient alternative for aircraft transiting the Chicagoland metro area; B. Coleman is only a 25 minute drive to downtown Chicago. B. Coleman Aviation is also one of the area's only certified DCA Gateway approved departure FBO.

"We are pleased to welcome B. Coleman Aviation to Signature Select and the global Signature Flight Support network," stated Mark Johnstone, Chief Executive of BBA Aviation and CEO of Signature Flight Support. "B. Coleman Aviation's dedication to providing exceptional customer service meshes well with the Signature Service Promise. We are confident that B. Coleman Aviation will benefit from being part of the Signature network. Signature Select offers its affiliates a wide suite of benefits and highly experienced professionals to assist them in growing their businesses."

"We are very excited to bring the Signature brand to our world class FBO. The fact that we can maintain our independent operations and add the loyalty programs of the Signature Network to our full service offerings will be an immediate additional benefit for all of our transient and based customers," said John Girzadas, President of B. Coleman Aviation. "In addition, the Signature Select program will continue our journey to transform the Gary/Chicago International Airport into the airport of choice for business aviation in the Chicago area. B. Coleman looks forward to a long mutually beneficial partnership with the Signature Network."

Signature Select members are supported by Signature Flight Support's global sales and marketing teams and are promoted along with its network of more than 200 worldwide locations. Each member company maintains its independent brand with the addition of the Signature Select badge.
