COLEMAN JET

A B. COLEMAN AVIATION COMPANY

Coleman Jet, a B-Coleman Aviation company, provides premium aircraft management services and charter operations with our diverse fleet of aircraft.

B. Coleman Aviation is conveniently headquartered just 25 miles from Chicago at the Gary/Chicago Airport (KGY). B. Coleman Aviation's unwavering commitment to excellence has propelled the company into a prominent resource within the business aviation industry. Inspired by the pioneer aviator and visionary Bessie Coleman, the first female pilot of African and Native American descent to hold a pilot license, her legacy is honored by providing exceptional service through fixed base operations, charter operations, and aircraft management along with aircraft maintenance and repair services through our affiliate, Infinity Aircraft Services.
